DESIGN: Figma, Adobe PS, Canva(Basic).

DEV-TOOLS: Github, Chrome dev tools, Heroku, Netlify, vs code.

PROFESSIONAL COURSE: Complete Web Development Course at Programming Hero

 (Duration 6 months 2022).

PROJECTS:

1: Electric Manufacturer website (Full-Stack).

Live-Site: https://electric-manufacturer-5c625.web.app/

Client-side code: https://github.com/bariknishan/manufacturer-website-12-client

Server-side-code: https://github.com/bariknishan/manufacturer-website-12-server

Technology: React Js, Tailwind CSS, DaisyUI, stripe, Firebase authentication, Nodejs, MongoDB.

Description:

- This is a manufacturer website, where I used multiple react hooks. And react-router.

- There is an admin panel where the user can see his order. I also implemented a stripe payment system.

- There is also a firebase Authentication login, and signout system. After Login users can see various features and able to order.

2: Computer Warehouse Website (Full-stack)

Live-site: https://computer-warehouse-a5ede.web.app/

Client-side-code: https://github.com/bariknishan/compuetr-warehouse-11

Server-side-code: https://github.com/bariknishan/computer-warehiuse-server-11

Techonlogy: React js, React Bootstrap, Firebase authentication, Nodejs, MongoDB.

Description:

- This is a computer warehouse website. Where I used the user login system
- User can add and remove multiple orders it is shown on the home page
- There are also extra pages and the route I implemented.

3: Gym website (Front-End based)

Live-site: https://fitness-zone-app.netlify.app/

Code-link: https://github.com/bariknishan/gym-site-10

Technology: React, react-hooks, Bootstrap, firebase authentication,netlify hosting.

Description:

- This is a simple gym website where users can log in and create an account.
- User can book gym package. After booking user will see a message on another page.
- Authentication of users by firebase system.

EDUCATION: Bachelor Of Computer Science And Engineering (B.S.C).

University Of Development Alternative, C.G.P.A 3.04 Out of 4.00 (2021).
